

Loving You is Easy

Loving You is easy
It's so natural for a child
So Here I come into Your courts Lord Jesus
Take me as I am

Just to linger in Your presence
It's so undeserved
Just to feel Your love surround me, Jesus
Your Spirit touching mine

And I cry...
Hallelujah
Hallelujah
Hallelujah
I confess You're Lord
You are Lord
And I surrender all

Loving You is easy
You didn't make it hard
You're the potter, come mould me Jesus
Come fill this empty jar

If I find myself weeping
If I fall down on my knees
Or if I find my joy in laughing out loud
Surely You've touched me
