

You are the holes in my hands

Gm **Dm/F** **Em(-b)** **Dm**
Come to Me all you bruised and broken
Come to Me all you weakened by hunger
Come to Me all you homeless and friendless

Gm **Dm/F** **Em(-b)**
Come to Me all you denied
Come to Me you pushed aside
Come to Me diseased and dieing

Gm **Dm/F** **Em(-b)** **Dm**
Come to Me all you restless and empty
Come to Me you spat upon and beaten
Come to Me all you violated, hated

Gm **Dm/F** **F/D**
Come to Me you suicide
Come in to Me and hide
Come to Me, come in-side

[chorus]

Bb **F** **C**
You are the holes in My hands

Bb/F **F**
You are the tear in My side

Bb **F** **C**
My blood is your life and I'm poured out

Bb/F **F**
These scars I cannot hide
