

MY TESTIMONY OF JESUS

Annette Jarvis

After I was diagnosed with type 1 diabetes at the end of February 2016 I prayed and told the Lord what the doctors said.

His response to me was: “Is there a balm in Gilead?
Is there no physician there?
If there is, why is not the health of My people recovered?” (Jer.8:22)

I said: “Yes God. You have provided for the healing for Your people.”
He then said: “I will heal you.”

I discovered that I was instantly healed because I had to start dropping the insulin dosage because I was getting too many hypos and this led to me having to “eat defensively” (This is the term the doctors use).

I saw the diabetic doctor for the first time on the 19th March 2016. He reviewed my diary and counselled that I should cut out the morning dosage and half the evening one.

I followed his prescription the next morning, and when I got home Saturday 20th after work, I tested my blood sugar, it was normal so I did not need to take any insulin.

From that date I did not take any more insulin even though I still kept a journal three times a day for three months.

This created a problem for the medics because I did not need metformin as I was not a type 2 diabetic, but neither did I need insulin.

My husband Tim and I moved from that area in October 2017 and so we changed doctors. Seeing that I was a new patient early in this year 2018 the new doctors needed to verify my situation for themselves so they took a blood test. The result came back and he told me that I was not a type 1 or a type 2 diabetic. The miracle was affirmed.

The 21st of June is Tim and my 15th wedding anniversary and we went to holiday that week to the Isle of Mann.

On the way to the Isle of Mann the Lord allowed me a glimpse into heavenly realm of the principalities and powers of the enemy kingdom. I saw a spirit seated on a throne. It identified itself as Fear. On the way back it gave me his rank and said that he is the Prince of demons.

From this I understood that he controls many demons and this control is manifested in many issues such as: arrogance, control, feeling unaccepted deception, feeling undesired and unloved and unworthy, shame, anger, timidity, rejection, pride, obsessive behaviour, suicidal thoughts, panic attacks, stress, eating disorders, lack of peace, self destructive behaviour, torments, sicknesses, fear of death, life, self

loathing, depression, being oppressed, distressed, anxiety, violence, guilt, inferior complex, feeling ugly, cutting, low self esteem and many mental health issues. I must state at this point that some issues stated above are the consequence of chemical imbalance and as such need medical attention. Not only does he control these issues that affects so many he sits and rule over regions and territories.

I understood that if people are going to be set free from the tormenting grip, abuse and captivity of this demonic strong man had first to be bound as Jesus illustrated in Mtt. 12:29.

Ephesians 6:10-17 gives us further insight as it tells us that we wrestle with principalities and powers and spiritual forces in heavenly places. We are instructed the weapons of our warfare are not natural or physical 2 Cor.10:4-6. With this thought and insight I positioned myself to stand for the people around me and of this region as the Lord directed.

On Saturday the 23rd June I drank some drink that had live yeast in it. After drinking it, the yeast in the drink did not die when it entered my tummy, it continued its fermenting nature and fed on the sugars from fruits and everything I ate. That night I felt really ill; my head, tummy and entire system was so upset I could not move. I got up and went to pray. I said:

“Papa, what is the matter with me?”

He responded: “Don’t be worried. Be strong, you’re in a spiritual battle. The devil’s altar must be torn down and My people released from the captivity of the enemy. A messenger of Satan has been sent to beat up on you. Take courage. Do not be fearful or be afraid for I Am with you. I will not leave you or forsake you.”

He also said I’m to rest in Him and confidently trust Him, That He is a stronghold to all who trust Him.

He continued: “As I’ve thought, so shall it stand.
As I’ve purpose so shall it come to pass.
I will be glorified in this place.”

I responded: “Do it Lord. Be exalted in this place.
Be it to me according to Your will. Obeying You is my priority.”

Friday 24th June

I’m to stay strong and speak truth, that He is the Champion and follow His word precisely.

Wednesday 27th June

He said: I am blessed because I believe Him
Blessed I am because I listened to Him
Blessed I am because I made His word my focus.

Monday 9th July

The word to me was that I am His battleaxe; His weapon of war on the kingdom of darkness. With me people will be confounded. "I love it" I said.
"Thank you."

Wednesday 11th July

My prayer was: "Give me Your heart and mind for the people."

This is My heart and mind He said:

"To loose the bands of wickedness, to undo heavy burdens, to let the oppressed go free, to break every yoke. It is to deal bread to the hungry, to house the poor and outcasts, to clothe the naked. Never to hide from our neighbours and it is also to heal sicknesses, diseases, to deliver the enslaved from the power of the evil one."

My mission then is to stand for the people. I'm to fight for them, to stand against the enemy for them.

By this point I was feeling unwell because of the continual building up of toxins in my body. To keep going I truly understood the promise that His strength is perfected in my weakness. I'd say: "strength Lord" and immediately I was strengthened. Repeatedly I was encouraged not to be fearful, be afraid or be discouraged because He is with me and He would not leave, forsake or fail me.

Monday 23rd July

The instruction for that day was that I had to decide whether I would accept His word or disregard it. My response was like Paul the apostle: "Most gladly will I suffer infirmities and weaknesses and distresses so that Your power will rest on me."

Sunday 29th July

"My word will come to pass, and though devastation is coming my life is protected."
"He has me covered," He said.

I'm to bear witness to the truth of what He has done, because it is for this purpose I was born.

Because I'm under the shadow of My wings the Almighty I will be made whole. I know that I'm covered under His feathers, under His wings so I don't need to be afraid. I wrote: "He has given His angels charge over me to keep me in all my ways to fulfil His words spoken over me."

God's temple is to be rebuilt, walls restored and breaches stopped as worship is fully restored again.

Monday 30th July

I'm so desperate for the name of Jesus to be exalted in this place.

Show off Your power and presence so much that all who comes to this region will know that you are Lord of all and this place will be completely changed was my prayer that day.

Thursday 9th August

“I feel so unwell my Papa.”

“Don’t be fearful,” He said. “I have redeemed your life. Just stand in faith.”

“I’ll stand in faith trusting and You do as its good to You,” I wrote.

Sunday 12th August

Strengthened for the mission.

“My entire life is devoted to Your praise my Father.

Will you speak to me about my health?”

I’m just to believe Him He says.

“Ok” I wrote.

“I’ll have faith. Your word and honour is most important to me.”

Wednesday 15th August

By this point my body has really been buffeted by the enemy’s attack on it, but I wrote that His grace is sufficient for me. I knew that the strategy of the enemy was an attack on the name, work and honour of God in my life. He tried to undermine the testimony of Jesus. But as I honour the name of the Lord over my own life so I refuse to be moved.

“My glory God says I will not give to another.” My response was: “That’s my heart also. You healed me and I will tell it. It is my act of worship.” I wrote: “Your honour is important to me, I will be faithful to You.”

Q. I asked: “should I go to the doctor? What am I to do?”

A. “I do not need to consult with any but Him.

Do not be afraid. I’ll use you to speak the truth and

Health will be restored and all that the enemy tried to steal.

I Am with you. I will not leave, forsake or fail you,” He said.

Friday 24th August

I’ll be hated and persecuted for Your name’s sake but I’m to stay with what You’ve said to me and not to allow fear or any man to change Your word to me. I’m to be strong, take courage and stand and He’ll do the rest. Underscored was the need to trust Him especially because I will be contending with the spirit of deception. “It is better to put my trust in you than man” I said.

I will not die He said, I will live and declare His goodness.

Sunday 9th September

This morning God whispered into my heart: I am your Lover and I am your Friend.

I so treasured those words. In fact, during this time I felt so loved, so special and so close to my Lord.

His love so flooded my heart it encouraged and strengthened me.

I said: "I give you my life. I lay it down for you for You're the One my heart adores."

Friday 14th Sept.

"It is done, the battle is won," says the most Holy One.

And now as His tool He is going to use me to confound people.

I was so excited about that. I said: "Let's go, do it and I Thank you for the privilege of doing service for You, to be Your rep."

Sunday 16th Sept

Tim took me to Scarborough Hospital on Sunday afternoon.

By this point I was very ill. The enemy really had a good go but God has purpose for my life.

They took a scan of my pancreas, kidneys and all that internal area. Even though the physician tried to take away the miraculous working power of God from my life by saying it was a honeymoon period. The consultant expressly told Tim that it was a fully blown type 1 Diabetes. He was being deceptive.

On release from hospital they issued me with a discharge letter that I will attach with this testimony. From the scan they reported no pancreas damage. The result they say is inconclusive. I am not type 1 nor am I a type 2 diabetic though they are on alert for kidney damage. In short; they are treating the sugar, they really don't know the source of it. Neither do I fit the pattern of a diabetic honeymoon.

Wednesday 26th September

"You're My witness" says the Lord.

"I am Lord" I responded.

"You've formed me to show forth Your praise.

And like Peter and John I said: I cannot help but say what I've heard You say and seen You do."

God helped me to understand that the demon Fear tried to undermine my mission to help people by injecting me with fear for my life and health. But like Nehemiah I refused to run to protect my life. I told him that for Christ I live and for Christ I die. Like many of the heroes of faith recorded in Hebrew chapter 11, I told him I would rather die holding to faith and the honour of the Lord than be unfaithful to Him and what He has done for me.

One of the battles I had with the demon Fear was when he presented to me some terrible scenarios about my life and end. Naturally it all looked very terrible. But I looked him in the face and told him: "you lying, ugly, unclean defeated unclean thing, why should I listen to you? Go bury yourself in the furthest depth of the sea." It left me and did not return.

God be praised the enemy is defeated. Having done all to stand, I will stand for the people of this region, I will stand for the cities and villages and I will stand for the name of and honour of Jesus. The enemy must be dethroned and Jesus exalted as the knowledge of the glory of God fill this north-east region and nation as water covers the sea. This mission I call JOY: JESUS OVER YORKSHIRE.
